## **EC4I & Federazione Sports Chanbara Italia - Promoting Our Territory**

### **Cultural Exchange and Innovation for Local Development**

**Welcome to the joint initiative by the Eboli Community for Innovation (EC4I) and the Federazione Sports Chanbara Italia, aimed at fostering cultural exchange and promoting the development of our beautiful local area. By facilitating hospitality exchanges between young people and families from Italy and abroad, we encourage mutual understanding and cultural integration. Through stays with host families, participation in sports and cultural activities, and the organization of international events, we support the local economy, encourage innovation, and create opportunities for growth. Our territory, rich in history, culture, and natural beauty, provides the perfect backdrop for this transformative experience.**
